

**Each One**

**Reach One**

Inova Mount Vernon Auxiliary Volunteers need your help in building up our dwindling members. That is why we have decided to launch a recruitment program called Each One Reach One. If you will bring one volunteer in to volunteer, you will become one of our shining stars and you will actually receive a star to wear on your tunic. Whom do you ask to become a volunteer? Here is a list of possible volunteer resources:

1. a friend
2. a neighbor
3. a family member/relative
4. a retired teacher or school official
5. a church member
6. a former employer or employee
7. a club member i.e. bridge, garden, etc.
8. your spouse or special friend

These are just examples of places to look. You may have many more places.

Just think you could have a chest full of stars. After bringing in five volunteers and receiving five stars, you will receive another special surprise. Won't you become an Inova Mount Vernon Shining Star?
