# Franconia-Springfield POLICY 1.5

## **Rights of Patients**

#### **ADVANCE DIRECTIVES**

### **Policy Statement**

Due to the elective nature of the procedures performed in this Surgery Center, treatment will not be withheld if an unexpected complication arises. If there is a need to transfer a patient to a hospital for additional care measures beyond what can be provided in the Surgery Center, the patient's Advance Directive will be in their medical record and will be shared with the hospital and caregivers upon transfer.

Who Should Know This Policy		
☐ Pre-Op Staff ☐ Post-Op Staff ☐ OR Staff	<ul><li>✓ All Employees</li><li>☐ All Clinical Staff</li><li>☐ All Business Office Staff</li><li>✓ Business Office Manager</li></ul>	<ul><li></li></ul>

#### **Procedures**

The center provides the patient or, as appropriate, the patient's representative in advance of the date of the procedure, with information concerning its policies on advance directives, including a description of applicable state laws and if requested, official Virginia Advance Directive forms.

Inform the patient or, as appropriate the patient's representative of the patient's rights to make informed decisions regarding the patient's care.

The center will document whether or not the individual has executed an Advance Directive or living will in a prominent part of the patient's medical record.

A copy of the Advance Directive and/or Living Will will be placed on the patient's medical record.

If transfer to an acute care hospital becomes necessary, a copy of the Advance Directive or Living Will will be provided to the hospital as part of the patient's chart.

If information regarding advance directives is requested, a copy of Inova's "Your Right to Decide" will be provided to the patient. This gives information on Advance Directives, Living Wills and provides sample documents which will meet the requirements of the Virginia Healthcare Decisions Act.

The following positions are responsible for the accuracy of the information contained in this document:
□ Administrator     □ Administrator
☐ Clinical Director
☐ Business Office Manager
∀ Vice President
