

Inova Employee Assistance

The Premier Choice for Employee Assistance Services

Inova Employee Assistance has been providing EAP services for more than 35 years. We are a proud part of the world's largest integrated employee support services and work-life provider connecting us to more than 30,000 organizations world-wide serving more than 60 million employees.

A Proven Industry Leader

- First EAP to design and implement a comprehensive management and assessment program - Evolution Case Outcome Management System (ECOMS)
- Proven Insurance Cost Reduction - 93% of IEA cases never result in referrals to health insurance
- Financial stability - including a coveted AA+ bond rating from both Moody's and Standard & Poor's
- 60,000+ U.S. Providers
- 12,000+ provider offices in 200 countries globally
- High utilization rates – more than double the national average standalone EAP and 14x more than insurance based EAPs
- 99% annual customer retention rate
- 100% case management and follow up
- Provider of EAP to the Employee Assistance Professional Association (EAPA)
- Able to reach employees anywhere with counseling options face to face, telephonically or online

Comprehensive Work-Life Services
