

Directions, Parking and Access

Parking and access

Enter the hospital campus at the Gray entrance off of Gallows Road and park in the Gray parking garage, preferably on ground level. Exit the garage at ground level directly into IHVI. Our offices are located on the right in the Outpatient Clinical Care Center once you enter IHVI.

Valet Parking

Located at the entrance of the Outpatient Surgery Center. Enter the campus at the Gray Entrance. Pass the main hospital and turn right at the entrance to the Outpatient Surgery Center and IHVI.

After leaving your car with the valet, enter the surgery center, turn left and continue through the glass doors connecting the main hospital to IHVI. Pass the gift shop, coffee kiosk, information desk and water fountain on your left. Our office is through the second door on the left. If you reach the garage you just missed us!

Drop Off

If you are being dropped off, follow directions for valet parking. You may request a wheelchair if needed at the information desk in the lobby.

Travel time

Keep in mind that traffic in Northern Virginia is often very heavy, especially during commute times, and plan accordingly when driving to your appointment.
